

NEW SCHOOL BOOKS WILL BE NEEDED MONDAY

Text books adopted by the state text book commission for the ensuing six years will be used in the Pendleton schools beginning with the opening of school, and a list of them, tabulated by grades has just been prepared by City Superintendent of Schools J. S. Landers. Practically all books were changed but Mr. Landers has made arrangements that will cause but little confusion and extra expense in the changing from the old system to the new. Following are the general rules governing the change:

Pupils who have finished any book and are to purchase the next higher in a series will purchase the newly adopted text. Those who will finish a book within the school year ending June 1, 1914, will retain the book for use during the year to avoid the payment of exchange price of a new one. Any book of the old series owned by a pupil and which can not be finished before or by the end of the school year ought to be exchanged for a book of the same grade or a higher grade in the new series before December 21, 1913, so the exchange price may be taken advantage of. Pupils in doubt as to what books to get or exchange will find it better to wait for instructions by the teachers on the opening day of school, Monday, September 15th.

Since most subjects in the high school are completed in a year but few books will be exchanged.

The new books, arranged by grades, are as follows:

"CASCARETS" RELIEVE SICK, SOUR STOMACH

Move Acids, Gasses and Clogged-up Waste from Stomach, Liver, Bowels—Cure Indigestion.

That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, dizziness and sick headache, means a disordered stomach, which cannot be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any.

Try Cascarets; they immediately cleanse the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels. Then your stomach trouble is ended. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular for months. Don't forget the children—their little insides need a good, gentle cleansing, too.

FOR DANDRUFF, FALLING HAIR OR ITCHY SCALP--25 CENT DANDERINE

Girls! Girls! Save Your Hair! Make it Grow Lustrant, Beautiful -- A Delightful Dressing.

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fashish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it--no dandruff--no itching scalp and no more falling hair--you must use Knowlton's Danderine. It eventually--why not now?

MAKE RICH BLOOD WITH WHITBREAD Sleeplessness, Run-Down Condition

Read this Important Statement

Great English Doctors have recommended for over 100 years the famous Whitbread English Ale or Whitbread English Stout (Malted Extract) made in England from the finest barley, malt and hops to be obtained and matured naturally in bottles in England and sent direct to America. It fortifies the system and makes rich blood. Thousands of suffering women have found instant relief by drinking Whitbread Stout. For mothers, invalids and those in a nervous, run-down condition it is invaluable. The most temperate people drink Whitbread Ale, because it is not only delicious, but a wonderful blood giver and tonic. The medicinal and tonic

down drink Whitbread Stout. Doctors, clergymen and professional men drink Whitbread Ale or Stout to build up the system from ill due to overwork. A glass of the Ale or Stout, taken with meals and at night, will give that restful sleep and vigor which is so necessary. Because Whitbread is totally unlike all other Ales or Stouts; being matured in the bottles it is most easily digested. In fact, a wonderful tonic for the stomach. A trial for one week will convince you of the wonderful effect of Whitbread Ale or Stout. It can now be obtained from your local dealer from . . .

KITTEN IN TREE; FIRE DEPARTMENT RUSHES TO SCENE

Small Boy Is Sausage of Much Excitement in East Orange, N. J., when His Pet Runs Away and Refuses to Return--Calls Up Fire Chief by Telephone and Tells Him to Come "Wright Away"--Thinking There Is a Blaze the Whole Department Turns Out.

NEW YORK, Sept. 11.—The moral of this story is: Don't teach a four-year-old boy to use the telephone, or else do not teach the cat to climb trees. The East Orange Fire department doesn't really care which.

Livingston Crocker, of the age afore-mentioned and son of Clarence Crocker of East Orange, was visiting his grand-parents, Mr. and Mrs. J. Livingston Carr at No. 37 Evergreen place when his kitten escaped from his arms and climbed a tree.

The little chap tried coaxing, then crying, but kitty remained aloft. Then he appealed to grandfather, who also tried to get kitty down. He gave it up as a bad job and went back to his nap.

Master Livingston then sat himself down on the front porch and cogitated. Then he stole softly into the hall, lifted the telephone receiver off the hook and calmly asked central to give him the fire department.

An instant later Chief Markwith heard a small voice over the wire saying:

"Send the firemen to 37 Evergreen place wright away."

Mrs. Crocker arrived at the Carr home just as her enterprising son rang off and, walking out to the porch, stood staring up to the street. Before she could investigate, she heard the clang and clatter of fire gongs and an instant later was bewildered by a group of firemen swarming over the porch and demanding to know where the blaze was.

Master Livingston proved his discretion by saying absolutely nothing until the firemen, convinced that the alarm was false, departed. Then he took his mother into his confidence.

To a reported Mr. Crocker admitted that he felt a certain pride in his son's achievement. He said the boy was accustomed to telephone his grandfather, but he didn't know where he got the idea of calling out the department to rescue his pet.

After the excitement had died down and the red wagons had all departed the cat returned to earth.

Diarrhoea Quickly Cured.

"I was taken with diarrhoea and Mr. Yorks, the merchant here, persuaded me to try a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After taking one dose of it I was cured. It also cured others that I gave it to," writes M. E. Gebhart, Oriole, Pa. That is not at all unusual. An ordinary attack of diarrhoea can almost invariably be cured by one or two doses of this remedy. For sale by all dealers.—Adv.

PREPARING VEGE.

TABLES FOR FAIRS
OREGON AGRICULTURAL COLLEGE, CORVALLIS, Ore., Sept. 11.—"Young gardeners entering vegetables for premiums at agricultural school, county and state fairs must exercise special care in the entries if they would receive favorable notice from the judges

and win valuable premiums offered," says Professor Bouquet of the Department of Horticulture, Oregon Agricultural college.

"Heretofore too many fairs have been exhibitions of vegetable monstrosities while commercial specimens of money value have been conspicuous by their absence. The boys and girls of Oregon must see that the vegetables that they exhibit are clean, smooth, uniform in size, color and shape, and true to type of the variety.

Something must be exhibited that will catch the eye of the judge. Nothing is of more importance than that the specimen should be clean and show great care in preparation previous to exhibition. Enormous specimens of beets, radishes, carrots and squash are to be discouraged, but the contestant should make it a point in selecting his specimens in the field to choose them for the qualities which have been named above. Children must be encouraged to exhibit vegetables that are of the highest market value.

"Root vegetables should be clean, of moderate size, smooth and the individual specimens uniform as far as possible in all aspects. Cabbage and lettuce and such like vegetables should be solid and of proper commercial size. The cauliflower which is shown should be compact, white and free from blemishes; the celery well blanched and large.

"Furthermore aim to fulfill the requirements specified in each entry. If three melons are called for, then exhibit only three; if six beets, then only six, and those of the greatest uniformity and proper size. The rules and regulations should be carefully read and then no disappointments will in that regard."

Matrimony is a sea which many courtships have been swamped.

IMPORTED RAM FOR COLLEGE STOCK FARM

OREGON AGRICULTURAL COLLEGE, CORVALLIS, Ore., Sept. 11.—On imported Shropshire ram has been added to the flock of sheep kept on the Oregon Agricultural college live stock farm. This is an especially fine animal, one year old, just brought over from England by George McFerry, the noted importer and breeder of Pewaukee, Wisconsin. It was secured for the college stock farm by Mr. O. M. Nelson, recently appointed instructor in animal husbandry to specialize in sheep. The ram was selected from the famous Buttar flock of England. He was rested but one week in Wisconsin and then re-shipped to Corvallis. But slight defects of the double journey were shown when he reached his destination, where he seems as much at home as though raised in Oregon pastures.

CLEARING UP RUINS FROM FIRE AT HOT SPRINGS

HOT SPRINGS, Sept. 11.—Volunteers were called for today by the city council which met to consider the situation, to clear up the debris of the big fire. Relief funds are being contributed.
